Newly Revised Church Office Hours:  
Tuesday - Friday 10 am - 2 pm

Now that the new year has begun, I took some time to look back on my first six months and made a list of some of the accomplishments achieved with the help, support and cooperation of the leadership and congregation. In no particular order of importance we have achieved the following:

- ◆ We have at least ten new people attending worship.
- ◆ We have the three bistro tables and colorful pillows in our fellowship area which are getting quite a bit of use.
- ◆ This summer we had our Brown Bag Gospel outdoor services on Wednesday evenings.
- ◆ We have worked hard to get the parsonage ready to rent.
- ◆ We now host a Narcotics Anonymous meeting on Saturday evenings.
- ◆ We did the Spare Change for Jesus during the month running up to Christmas with the proceeds going to the Food Bank.
- ◆ We had a very well-attended potluck dinner on Christmas Day.
- ◆ I created a new Facebook page and have been updating the webpage.
- ◆ In exchange for rehearsal space, Singers In The Rain provide monthly music during worship.
- ◆ We've started an email prayer team.
- ◆ We've moved a donated piano into the sanctuary.
- ◆ We had a joint church picnic with Trinity UMC this summer.

I'm sure I may have missed some others, but the point is we have a cooperative spirit at Community with an eye towards moving into the future.

I've also set some goals for myself for the coming year:

- ◇ I'd like to activate our committees and develop some best practices that will help our committees function efficiently and effectively.
- ◇ I would like to establish at least three local missions that we can support with volunteers and funding. I presented this idea to the Administrative Council and they have asked me to present a formal proposal by our February meeting.
- ◇ I would also like to see what we can do to have some small group studies.
- ◇ I'm looking at ways to boost our Facebook exposure and make our webpage more interactive. This will be a priority for me and our new administrative assistant Melanie.
- ◇ I want to work with the men's group and move towards a fellowship that includes some devotional time.
- ◇ I would like to explore the possibility of hosting a community-wide garage sale when the weather gets better which would attract a lot of local people to the church where we could mix and mingle.
- ◇ I would also like to hold a Vision Day in the next couple of months where we can meet and see where we are as a church, where we want to go and develop a plan on how to get there.

I have really enjoyed the first six months as I continue to grow into the job, and am excited about the possibilities that lie ahead for our church and our community.

In closing, please continue to pray for me, our church and our country as we continue to find our way in the world as disciples of Jesus Christ for the transformation of the world.

Faithfully,

*Scott*

**Stewardship 2017**

Your gifts of time, talent and treasure are all vital to CUMC's ministry in the community. Together these gifts have made a difference in the world around us in past years. We feed the hungry. We support the homeless with much needed meals and shelter in the winter. We support seniors with limited resources to afford a decent place to live. We feed the hungry children in the summer when there is no school lunch. Together we make a difference.

Our 2017 Stewardship Campaign asked you to fulfill God's plan in our church life by giving. Your response was outstanding! The total pledges made for 2017 is \$86,116.00 (includes one 2017 pledge paid in 2016) coming from 29 pledging units. You took Peter's words to heart that "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms." (1 Peter 4:10)

**WE THANK YOU!**

You have been blessed to receive God's grace in Jesus Christ and Community United Methodist Church has been blessed in turn. We will be faithful stewards of your gifts and do all we can to minister to our community in 2017.

# CREATING CONNECTIONS

## Monthly Devotional

a favorite of my father's, Rev. George Finlay, from *The Upper Room*

*"But whoever slaps you on your right cheek, turn the other to him also." Matthew 5:39*

Read: Matthew 5:33-48

### A Sermon by A Dog

Jesus' words in the above text have bothered many people. We can best understand them when we remember that the custom in Jesus' day was to give a light, left-handed slap on the face of an adversary to show disdain for him. This was not meant as a painful blow, but as an insult. Our Lord was not suggesting that force must never be used to restrain evil. Rather, He was saying that by offering the other cheek we reject the spirit of retaliation toward those who mistreat us, and we offer them forgiveness.

Sir Walter Scott had difficulty with the idea of "turning the other cheek." But Jesus' words took on special meaning one day when Scott threw a rock at a stray dog to chase it away. His aim was straighter and his delivery stronger than he had intended, for he hit the animal and broke its leg. Instead of running off, the dog limped over to him and licked his hand. Sir Walter never forgot that touching response. He said, "That dog preached the Sermon on the Mount to me as few ministers have ever presented it." Scott said he had not found human beings so ready to forgive their enemies.

The world needs to see Jesus' likeness in every believer. We are to pardon those who treat us unfairly. By the power of the Holy Spirit let's exhibit a Christlike attitude toward those who hurt us.

**Thought for the Day:** To return good for good is human; to return good for evil is divine.

**Prayer:** In our daily life and service

let us true disciples be;

Being meek when others hurt us,

Lord, in us may they see Thee!
