Plant Update

By Sara Davis

This summer a member of our church handed me \$50. She said she knew that I wanted to buy some plants for the church and wanted to help. I was so grateful. I knew I needed to wait until the hot weather was done and before the big rains and really cold weather of fall.

I made 2 trips to Valley Nursery in Poulsbo and talked with a plant specialist. I got a list of deer resistant shrubs and was reminded that the deer don't know the rules so if they do eat the plants I'd picked, I had been warned. I also was conscious of need for sunlight and shade.

I picked a Sweetbox (*Sarcococca ruscifolia*) for the spot by Melanie's window in front of the Church Office. It says to plant this shrub near shady entrances to revel in the winter fragrance. Tiny white flowers hidden amongst its glossy, dark-green foliage, open to release a delightful perfume of sweet vanilla. The perfume wafts in the winter air from January through February and brings to mind the smells of a Swedish bakery. Yum. I also purchased some deer resistant spray, so if this plant smells funny I'm protecting it from deer for at least a while.

Where Hank pulled the arborvitae between the parsonage and the church property I purchased 5 Flaming Silver Pieris, (*Pieris japonica*). Ed did the hard work here using a pick to dig holes. We removed many rocks and filled the holes with rich top soil. The description says: By planting "Flaming Silver" in your garden or border you can easily have a year-round show of color in your landscape.

I hope you enjoy these plants.

Local Missions Update

By Sara Davis

As all of you know Community United Methodist Church is partnering with Bayside Services which provides temporary housing for people in our community who are looking for permanent housing. Ted and Stephanie Buehler are liaisons for our church. If there is a need for household items while folks are at Bayside and when they transition into permanent housing Ted and Stephanie will work to get these items.

We are also working with the Tri-Area Food Bank. They are currently doing fund raising to purchase a new walk in freezer (Melanie not sure if this is correct freezer or frig) Approximately half of their fundraising goal has been met.

The food bank has also identified people who use their services who are either living in vehicles, tents or unstable housing. Our goal is to provide items other than food that will give them a hand up, especially now during the cold rainy season. Scott put out a call for tarps, flashlights and hotel shampoo, conditioner, etc. I am happy to report that tomorrow I will deliver 6 tarps, 5 flashlights and various soap, shampoo etc Thank you all who contributed. We know more tarps and flashlights will be needed and will keep you posted.

In addition UMW has \$100 that they will use towards hygiene kits to give directly to the food bank. Each kit costs approx. \$10 so 10 kits will be delivered soon. If you would like to see this project continue your donations to UMW are greatly appreciated. Our goal is 10 kits per month if funding is available.

By Stephanie Buehler

"I think it's fair to say that Bayside Housing & Services is very grateful for our congregation's support. Each resident now has a flashlight in the event of an emergency or power outage due to your generosity. Scott was also able to deliver several bags of warm clothing to them just before Thanksgiving. This was enough to take care of their immediate need for sweaters and jackets and they asked us to pass along their sincere appreciation.

As winter draws ever near, the need is still there for warm hats, scarves and gloves for both men and women. Perhaps, if Santa brings you a new knit set this year or you're simply going through a closet or cedar chest and come upon some warm things you haven't worn in a year or two, you might think of our friends at Bayside. Bring them to church in a bag and we will make sure they're delivered.

Thank you for your continued support of those who patiently wait for their opportunity to transition from Bayside to a new home as well as those who are fortunate enough to be transitioning.

Thanks again and Merry Christmas."

Our Daily Bread, December 19, 2014

The grace of our Lord was exceedingly abundant, with faith and love which are in Christ Jesus. —1 Timothy 1:14

The Heart of Christmas

Charles Dickens' novel A Christmas Carol was released on December 19, 1843, and has never been out of print. It tells the story of Ebenezer Scrooge, a wealthy, sour, stingy man who says, "Every idiot who goes about with 'Merry Christmas,' on his lips, should be boiled with his own pudding!" Yet, one Christmas Eve, Scrooge is radically changed into a generous and happy man. With great humor and insight, Dickens' book captures the universal longing for inner peace.

As a young man, the apostle Paul opposed Jesus and His followers with a vengeful spirit. He "made havoc of the church, entering every house, and dragging off men and women, committing them to prison" (Acts 8:3). But one day he encountered the risen Christ, and his life became a different story (9:1-16).

In a letter to Timothy, his son in the faith, Paul described that life-changing event by saying, even though he was "a blasphemer, a persecutor, and an insolent man . . . the grace of our Lord was exceedingly abundant, with faith and love which are in Christ Jesus" (1 Tim. 1:13-14).

Jesus was born into our world and gave His life so that we can be forgiven and transformed through faith in Him. This is the heart of Christmas!

By David C. McCasland

Then let us all with one accord
Sing praises to our heavenly Lord,
That hath made heaven and earth of naught,
And with His blood mankind hath bought. —English carol
